S&L Services, Inc. is a company based out of North Liberty that has three major areas of focus. We offer Live GPS tracking systems, Burglar and Fire Security Systems, as well as Card Access (CCTV) and Camera Systems. Our GPS tracking systems track every 5 seconds and are like nothing else that is available today! These systems almost sell themselves with the advanced mapping that is based off satellite images and the 5 second tracking. This product is exceeding every expectation and has been taking our business customers by great surprise! As for the burglar and fire systems we are selling quality product at a great value to our customer. Not only are we charging a great rate for our customers, but it makes us feel good to help protect our cities as well! We would love for you to become a part of that team!
